Trading CFDs and margin foreign exchange involves a high degree of risk and is not suitable for all investors. Leveraged trading carries the possibility of losses that may exceed your initial investment. You should carefully consider your investment objectives, level of experience, and risk appetite before engaging in trading. You do not own or have rights in the underlying assets. Past performance is not a reliable indicator of future results, and tax laws are subject to change. All information provided on this website is general in nature and does not take into account your personal circumstances. We strongly recommend that you seek independent advice if necessary, and read our legal documents carefully before trading with us.

1. Introduction

1.1 This document sets out the terms and conditions (the "Agreement") governing participation in the TabTrade Traffic Referral Program (the "Program") operated by TabTrade Ltd. ("TabTrade", "we", "our", or "us").

6. Commission Structure

General Terms

6.1 You may be remunerated under one or more Commission Plans, including the CPA model for Affiliate Partners or the Revenue Share model for Introducing Broker Partners, in accordance with the Fee Schedule.

6.2 The Commission payable to you is determined exclusively by TabTrade in accordance with this Agreement and the Fee Schedule, as updated from time to time.

6.3 No verbal or informal arrangement regarding Commission is valid unless confirmed in writing by TabTrade.

6.4 Commission is payable only for Qualified Clients and Qualified Activities verified by TabTrade's Tracking Technology, and subject to our Verification Process.

CPA Model (Affiliate Partners)

6.5 Under the CPA model, you may receive a fixed amount of Commission (CPA Commission) once a Referred Traffic event results in a Qualified Client.

6.6 We determine, in our sole discretion, whether a particular referral satisfies all Qualification Criteria.

6.7 CPA Commission applies only to first-time Clients who are new to TabTrade and have not previously held or applied for an account with TabTrade or any Related Entity.

6.8 Repeat, duplicate, or re-registered accounts are not eligible for CPA Commission unless explicitly stated otherwise in the Fee Schedule.

6.9 CPA Commission may be offered in a Tiered Commission Plan according to performance, region, or product type, as specified in the Fee Schedule.

6.10 Any CPA Commission paid in error, or where the Qualified Client subsequently fails to meet Qualification Criteria, may be reversed or offset against future payments.

Revenue Share Model (Introducing Broker Partners)

6.11 Under the Revenue Share model, you may earn Commission (Revenue Share Commission) based on the Spread, transaction value, or trading volume generated by Qualified Clients attributed to the Partner.

6.12 The applicable percentage or rate, calculation method, and product-specific parameters are defined in the Fee Schedule.

6.13 Revenue Share Commission is accrued only for Eligible Trades executed by Qualified Clients and is calculated net of adjustments for cancellations, bonuses, reversals, or Fraudulent Activity.

6.14 We may, at our discretion, introduce a hybrid model combining CPA and Revenue Share elements, in which case the Fee Schedule will specify the applicable criteria and payment sequence.

6.15 Revenue Share Commission is subject to review and validation through our tracking and reporting systems and may be adjusted to correct discrepancies, currency conversions, or technical errors.

Tiered and Performance-based Plans

6.16 We may offer Tiered Commission Plans where rates increase or vary based on the number of Qualified Clients, volume of Eligible Trades, or total revenue generated within a Commission Period.

6.17 We may, in our discretion, revise or suspend Tiered Commission Plans at any time with reasonable Notice.

6.18 If a Partner's performance level changes during a Commission Period, the corresponding tier rate will apply prospectively unless otherwise stated in the Fee Schedule.

Revenue and Transaction Exclusions

6.19 The following activities are excluded from Commission calculations unless explicitly authorised in the Fee Schedule:

- a. internal transfers or self-funded accounts;
- b. trading activity conducted under a separate promotional offer;
- c. demo accounts or simulated trading;
- d. trades executed solely for the purpose of generating volume;
- e. trades identified as risk-free, hedged between related accounts, or executed to manipulate rebates; and
- f. any account subsequently closed, restricted, or deemed ineligible by TabTrade for compliance or risk reasons.

6.20 Where a Qualified Client engages in trading behaviour that TabTrade

reasonably determines to be non-genuine or abusive, TabTrade may withhold or adjust Commission relating to that Client.

Referral Hierarchy and Attribution

6.21 If more than one Traffic Referral Partner claims attribution for the same Referred Traffic or Client, TabTrade's tracking records and internal determination are final and conclusive.

6.22 We do not permit sub-affiliation, re-brokering, or the creation of networks of downstream Traffic Referral Partners unless approved in writing.

6.23 If sub-affiliation is approved, the primary Traffic Referral Partner is responsible for all actions and compliance of its sub-partners and indemnifies TabTrade for any breach or loss arising from their conduct.

6.24 We may terminate or restrict any sub-affiliation structure without Notice if it presents compliance or operational risk.

Commission Caps and Adjustments

6.25 We may impose Commission Caps at our absolute discretion.

6.26 We may apply Adjustments to reflect Chargebacks, cancellations, or errors, and may issue a Commission Adjustment Notice accordingly.

6.27 Adjustments and Commission Caps are final once reflected in the reporting provided through the Secure Account Portal.

Right of Modification

6.28 We may modify Commission rates, calculation methods, or Qualification Criteria with Notice to the Traffic Referral Partner.

6.29 Modifications under clause 6.28 take effect from the date specified in the Notice or, if no date is specified, from the start of the next Commission Period.

6.30 Modifications under clause 6.28 do not apply retrospectively to Commissions already validly earned, except where required to address Fraudulent Activity, Prohibited Practices, or legal or regulatory obligations.

7. Calculations, Validation, and Payment

Calculation of Commission

7.1 All Commission is calculated based on data recorded by our Tracking Technology or a Third Party Tracking Provider designated by TabTrade.

7.2 Our systems and records are final and conclusive for determining Referred Traffic, Qualified Clients, Qualified Activities, and the amount of Commission payable, unless you provide clear and verifiable evidence of error within the timeframe specified in clause 7.23.

7.3 Commission is calculated in accordance with the Fee Schedule applicable to your classification (Affiliate Partner or Introducing Broker Partner).

7.4 We may adjust or correct Commission calculations to reflect currency

conversions, technical errors, Chargebacks, or Compliance Breaches.

Verification Process

7.5 Any Commission is subject to our Verification Process. Our Verification Process includes, but is not limited to, confirmation that:

- a. the Referred Traffic and resulting Qualified Clients meet all Qualification Criteria;
- b. no Fraudulent Activity or Prohibited Practice occurred;
- c. the Client account remains open, funded, and is an Active Account within the relevant period; and
- d. TabTrade has received all information required to comply with its AML/CTF Requirements and regulatory obligations.

7.6 Our Verification Process is performed after each Commission Period, or more frequently at our discretion.

7.7 We may withhold Commission pending completion of the Verification Process.

Commission Approval and Reporting

7.8 Once our Verification Process is completed, any Commission will be displayed in your Wallet within the Secure Account Portal.

7.9 Commission reports made available in the Secure Account Portal constitute official confirmation of payable amounts for that Commission Period.

7.10 We will not issue physical invoices or payment statements unless required by law or otherwise agreed.

Payments

7.11 Payment of approved Commission is made in accordance with the Payment Schedule specified in the Fee Schedule.

7.12 You must not assign, sell, pledge, or otherwise transfer rights to receive Commission or any other payment under this Agreement without TabTrade's prior written consent. Any unauthorised assignment is void and has no effect against TabTrade.

7.13 Commission is credited to the Traffic Referral Partner's Wallet in USD, unless another currency is expressly approved by us.

7.14 Where Commission is paid in another currency, TabTrade may apply an exchange rate determined by its payment provider, banking partner, or other sources at the time of conversion.

7.15 We are not responsible for exchange rate fluctuations or third-party conversion fees.

7.16 You may request withdrawal of available funds from your Wallet once the Minimum Payout Threshold is met, using the withdrawal methods authorised by us.

7.17 We may pay Commission through alternative methods (including wire transfer, third-party payment processors, or cryptocurrency payment rails) at our discretion.

7.18 All payment processing fees, bank charges, or currency conversion costs are borne by you unless otherwise stated in the Fee Schedule.

7.19 We are not required to reissue or resend payments lost due to incorrect payment details provided by you.

Negative Balances and Carryover

7.20 Where your Commission Balance for a Commission Period is negative due to Adjustments, Chargebacks, or other deductions, the negative balance constitutes a Negative Carryover.

7.21 Negative Carryover may be offset against future Commission until the balance is cleared, as specified in the Fee Schedule.

7.22 We may, at our discretion, waive or reset a Negative Carryover balance in whole or in part.

Disputes and Corrections

7.23 You must notify TabTrade in writing of any Dispute regarding Commission within ten (10) Business Days after the relevant report or Payment Date.

7.24 Disputes must include detailed evidence sufficient to substantiate the claim, such as traffic logs, campaign data, or tracking records.

7.25 We will review the Dispute in good faith and issue a determination within thirty (30) calendar days.

7.26 If no Dispute is raised within the period specified in clause 7.23, the Commission report and payment are deemed final and accepted by you, but remain subject to any Adjustment or Chargeback by us.

Adjustments and Chargebacks

7.27 We may apply Adjustments or Chargebacks to correct errors, reverse Commission derived from Fraudulent Activity or Prohibited Practices, or comply with regulatory obligations.

7.28 Adjustments may be applied by offsetting against current or future Commission payments, or by direct debit from your Wallet.

7.29 We may issue a Commission Adjustment Notice specifying the reason, date, and amount of the Adjustment.

7.30 Adjustments made in accordance with clause 7.27 are final and binding once reflected in your Wallet balance.

Taxes and reporting

7.31 You are solely responsible for the payment of all taxes, levies, or government charges arising from Commission or other payments received under this Agreement.

7.32 We may withhold or deduct taxes from payments where required by law and will provide reasonable documentation of such withholding upon request.

7.33 You must provide valid tax or business identification details and complete any required tax forms or declarations.

7.34 We may suspend payments until all required tax information is provided.

Good Faith Cooperation

13.11 The Parties agree to act in good faith and cooperate with each other to fulfil the intent of this Agreement.

13.12 Nothing in this clause limits either Party's right to operate independently or to engage in other lawful business activities unrelated to this Program.

14. Force Majeure and Assignment

Force Majeure Events

14.1 Neither Party is liable for any failure or delay in performing its obligations under this Agreement (except for payment obligations) where such failure or delay is caused by a Force Majeure Event.

14.2 The affected Party must notify the other Party as soon as reasonably practicable after becoming aware of a Force Majeure Event, providing details of the nature, expected duration, and impact of the event.

14.3 The affected Party must use reasonable efforts to mitigate the impact of the Force Majeure Event and resume performance of its obligations as soon as practicable.

14.4 If a Force Majeure Event continues for more than sixty (60) consecutive days, either Party may terminate this Agreement by giving written Notice to the other.

Assignment by Us

14.5 TabTrade may assign, transfer, novate, or otherwise deal with its rights and obligations under this Agreement, in whole or in part, to:

- a. any of its Related Entities; or
- b. any successor entity resulting from a merger, acquisition, corporate reorganisation, or sale of assets.

14.6 We will provide written Notice to you of any assignment or transfer that materially affects your rights or obligations under this Agreement.

14.7 You acknowledge that such assignment or novation does not constitute a breach of this Agreement or entitle it to terminate participation in the Program.

Assignment by You

14.8 You must not assign, transfer, or otherwise deal with any of your rights or obligations under this Agreement without TabTrade's prior written consent.

14.9 Any purported assignment or transfer in breach of this clause is void and has no effect.

14.10 We may withhold consent to an assignment at its absolute discretion, including where the proposed assignee does not meet TabTrade's eligibility, compliance, or suitability standards.

Change of Control

14.11 You must promptly notify TabTrade in writing of any proposed or actual change in ownership, control, or management of your business.

14.12 We may, at our discretion, treat a change of control as an assignment and:

- a. require the new owners or controllers to submit a fresh Application for approval; or
- b. terminate this Agreement immediately upon written Notice.

Successors and Permitted Assigns

14.13 This Agreement binds and benefits the Parties and their respective successors, permitted assigns, and legal representatives.

14.14 References to a Party include its successors and permitted assigns, unless the context otherwise requires.

15. Governing Law and Dispute Resolution

Governing Law

15.1 This Agreement is governed by and construed in accordance with the laws of Saint Lucia.

15.2 Each Party irrevocably submits to the non-exclusive jurisdiction of the courts of

Saint Lucia and any courts of appeal therefrom.

15.3 Nothing in this clause prevents TabTrade from seeking interim or injunctive relief in any other jurisdiction to protect its rights, Confidential Information, or Intellectual Property Rights.

Good Faith Negotiation

15.4 The Parties must use reasonable efforts to resolve any Dispute arising out of or in connection with this Agreement through good faith negotiation.

15.5 Either Party may initiate negotiation by giving written Notice of the Dispute to the other Party, describing the issue in reasonable detail.

15.6 Senior representatives of each Party must meet (whether in person or electronically) within ten (10) Business Days of the Notice to attempt resolution.

15.7 If the Dispute is not resolved within twenty (20) Business Days after Notice, either Party may refer the matter to mediation or commence proceedings in accordance with this Section.

Mediation

15.8 The Parties may agree to refer the Dispute to confidential mediation before a mediator jointly appointed by the Parties.

15.9 The costs of mediation will be shared equally unless otherwise agreed.

15.10 If mediation is not agreed within ten (10) Business Days after the failure of negotiation, or if mediation does not result in settlement within thirty (30) days, either Party may commence legal proceedings.

Court Proceedings

15.11 Subject to clauses 15.8, 15.9, and 15.10, any Dispute not resolved through negotiation or mediation must be submitted to the courts of Saint Lucia, which have non-exclusive jurisdiction.

15.12 Each Party waives any objection to the venue or forum on the grounds of inconvenience or otherwise.

Injunctive and Equitable Relief

15.13 Either Party may seek interim, injunctive, or equitable relief in any jurisdiction where necessary to protect its rights, prevent unauthorised use of Confidential Information, or preserve Intellectual Property Rights.

15.14 The pursuit of such relief does not waive or prejudice any other right or remedy available under this Agreement or at law.

Time Limitation

15.15 Any claim arising under or in connection with this Agreement must be brought within one (1) year of the event giving rise to the claim, unless otherwise required by law.

Continued Performance

16.12 You waive any claim arising from disclosures detailed in clause 16.11 that are made in good faith and you acknowledge that TabTrade's obligations to regulators take precedence over this Agreement.

Severability

16.13 If any provision of this Agreement is held to be invalid, unlawful, or unenforceable, the remaining provisions continue in full force and effect.

16.14 The Parties must negotiate in good faith to replace any invalid provision with one that is valid and reflects the intended commercial outcome as closely as possible.

Waiver

16.15 No failure or delay by a Party in exercising any right, power, or remedy under this Agreement constitutes a waiver of that right, power, or remedy.

16.16 A waiver is effective only if made in writing and signed by the waiving Party.

16.17 A waiver of one breach or default does not operate as a waiver of any subsequent breach or default.

No waiver of rights

16.18 The rights, powers, and remedies provided in this Agreement are cumulative and in addition to any rights, powers, or remedies provided by law.

16.19 The exercise or partial exercise of a right does not preclude further exercise of that or any other right.
